Easter Cloak Sale.
THREE GREAT STOCKS.

Entirely contrary to the practice that prevails in most houses, we will start in this establishment on Thursday morning a special combination sale of Spring Garments at sensational prices. The usual theory of merchants is that before Easter all goods should bring full price and full profit—and the great sales should not be held until the best part of the season is gone.

In recent years we have held some important and very successful sales in direct opposition to this theory. But not in all our long experience have we been able to offer at any sale such great advantages as will be found here, beginning Thursday morning.

DISSOLUTION.—Messrs. Charles H. Roman & Co., of 77 Greene street, are dissolving partnership. We have closed out their entire line of Misses' and Children's Reefers and Jackets, all high-class garments, at exactly 50c. on the dollar. From Maloney & Co., of 20 Clinton place, come several large lots—also at 50c. on the dollar. And to these we add the entire stock of Ladies' Spring Cloaks from a prominent Broadway importer—whose name we are under contract not to mention.

Some of the Children's Some of the Ladies'

Children's Navy Blue Cheviot Serge Reefers, brass buttons, worth \$2.00. Also Children's Herringbone Cloth Reefers, gray, worth \$2.25, at 95c.

Children's All-Wool Chevron Serge Reefers, in all colors, metal buttons, worth \$4.00. Also Children's fine Serge Reefers, in all colors, corded and pearl buttons, worth \$4.00, at 1.95.

Children's Reefers of All-Wool Twill Cloth, all colors, corded and pearl buttons, worth \$6.50, at 2.95.

Children's Reefers of fine Covert Cloth, also Vienna Cloth, in plain colors, mixture or checks, gilt cord-edged, worth \$7.00, at 3.50.

Children's Reefers, in English mixtures or checks, patched pockets and lap seams, worth \$8.00, at 4.95.

One lot of elegant Reefers, odds and ends, in fine English Cloth, cord edged and pearl buttons, worth from \$6.00 to \$10.00, at 3.95, 4.95, 5.95.

Misses' fine Serge Reefing Top Coats, in Tan, Navy or Gray, 4 silk ornaments, notch collars, worth \$8.50, at 4.95.

Misses' Melton Cloth Reefers, ivory buttons, lap seams, worth \$12.50, also Misses' Bedford Cord Reefers, pearl buttons, worth \$10.00, at 6.95.

NOTE WELL.—Sale begins Thursday morning, April 7, and will continue until all the lots are sold. Extra sales-people will be in attendance. More than double the usual space will be devoted to the sale. Samples are now in the windows. Patrons will find it a most decided advantage to make early selections.

POLICE HATS CAUSE TROUBLE.

Labor Protests Because They Are Made in Connecticut.

The Contract Not Given to a New York City Manufacturer.

Protest is made in labor circles against the action of the Commissioners of Police, who in their meeting of March 18 awarded a contract to John H. Spelman, of 1010 Park Row, for the manufacture of the Police Department's summer hats.

The "Silk and Fur Hatters' Association" of New York has denounced this action of the Police Commissioners on the ground that the contract was given to a firm whose factory is located in Connecticut, who is a regular hat manufacturer of this city and 10 cents less on the contract.

The resolution of this Association say: "We consider the action of the Board of Police Commissioners a high-handed outrage against the rights of hat makers of New York City in paying \$2.10 to a New York firm, where a large number of our members are employed, offered to supply the force with superior hats made by the best skilled workers for \$2, which proves that the Police Commissioners are not studying the interests of the resident skilled workmen of the city."

Chairman of Police, Mr. MacLean, when seen by an Evening World reporter, said: "It is true that Spelman's bid was not the lowest, but on the recommendation of the committee on repairs and supplies, and taking into consideration the advantages offered by Spelman, the Committee decided to give him the contract."

"I am sorry Mr. Spelman to be a New York hat maker," said Mr. MacLean, "but he is not the only one who is not a New York hat maker. Mr. Spelman, I believe, has been making the Department's hats for the last five years. It looks as if the disappointed bidder were in the bottom of the city."
